

Title: Speech Language Pathologist I - DHH Specialist  
Job Number: 59005  
Contact: Nikki Carter / [Nikki.carter@childrenscolorado.org](mailto:Nikki.carter@childrenscolorado.org)

#### Why Work at Children's....

Children's Hospital Colorado has defined and delivered pediatric healthcare excellence for more than 100 years. Founded in 1908, Children's Colorado is a leading pediatric network entirely devoted to the health and well being of children. Continually recognized as one of the nation's outstanding hospitals by U.S. News & World Report, Children's Colorado is known both for its nationally and internationally recognized medical, research and education programs as well as the full spectrum of everyday care for kids throughout Colorado and surrounding states. With more than 1,000 healthcare professionals representing the full spectrum of pediatric specialties, Children's Colorado Network of Care includes its main campus, 16 Children's Care Centers and more than 400 outreach clinics.

A career at Children's Colorado will challenge you, inspire you, and motivate you to make a difference in the life of a child.

This position is located in Colorado Springs - Colorado Springs is listed as #2 of best places to live in the U.S. (according to U.S. News & World Report)
